INTRODUCTION

Matching components to build a quality Kit saves shopping time, initial cost and most of all the components are designed to work in concert with each other. In keeping with new image capture technology our CAMTREE SHOULDER RIG SUPPORT ROD is a smart choice for today's shooters who demand flexibility and performance for all their digital media productions.

IN THE BOX

Please inspect the contents of your shipped package to ensure you have received all that is pictured and listed below.

ASSEMBLING YOUR SHOULDER RIG SUPPORT ROD

- Wear your belt around your waist and secure with the help of Velcro as shown below.

- Attach rod support to waist belt properly. You can adjust the height of your rod support with the help of provided knobs.

- Attach the rod support to your shoulder rig via 15mm rod adapter. This set-up allows you to have fatigue free and long comfy shoots.

WARRANTY

We offer a limited time warranty for our products. For Mechanical products we provide a 6 month warranty & for electronic products we provide a 3 month warranty from the date of purchase.

We will repair or replace your product, free of charge, in the event of a defect in materials or craftsmanship obtained during normal use or handling based on the user manual. Please note that we will not cover any shipping costs for returning the product to us. If any VAT or import duties are applied to the return, we will also charge these costs to the customer.

The warranty does not include, by the way of example, damage caused by products that we do not supply or from mishandling in transit, accident, misuse, neglect, lack of care of the product , or service by anyone other than our company.

We are not liable for incidental or consequential damages resulting from the use of the unit or occurring due to any breach of this warranty.

Replacement parts of the product will be provided at nominal cost (covering the cost price of the replacement parts only) to the customers after the Warranty Period has expired. We will cover the complete cost of sending replacement parts within the warranty period. After that, Nominal cost of the product & Actual shipping cost will be charged.

Do not send the unit to us without first getting a response and getting the approval to send back the item.

In case of any kind of dissatisfaction, we urge you to Contact us immediately and we shall do our best to help you out.

For any other assistance you can reach us via email.
